

Would you like to be a football manager?

Would you like to beat your brother/sister/friends?

Would you like to beat your teacher?

Llanharan Primary School is entering the **Schools Fantasy League** so now you all have a chance to compete against fellow pupils, teachers and schools!

How does it work?

Llanharan pupils, teachers, staff (and maybe even parents!) have the chance to become fantasy football managers, picking a team of 11 Premier League players from a budget of £110 million. Each 'manager' scores points based on events in 'real life' Premier League matches. The points for all teams will be automatically updated and league positions will be shown on the Schools Fantasy League website (www.schoolsfl.com).

Managers will compete within their own year group as well as in the whole school league table, and also with other schools who are taking part both regionally and nationally. The team with the most points at the end of the season is the overall winner, but there will be plenty of awards up for grabs over the whole season.

What does it cost?

It is **FREE** to enter and play, you just need to register on the website at www.schoolsfl.com you will need an email address to register. Once you have registered, pick your team and then join the school league by clicking on 'My Leagues' and enter the league PIN in the field marked 'Join League' then press 'Search'. Then click the 'Apply to Join' button and your teacher will accept your application. The league PIN is **1668239**.

When do I need to enter?

Your team will have to be registered by 19th October 2013 (which is when the competition will start).

Good luck and may the best team win!
